Sub: Entry of Visit & Tourism Visa

Dear Travel Partner,

We have been informed by the concerned authority in Dubai that "Passengers with visit and tourism visas arriving at Dubai without a return ticket will not be permitted entry".

You may please inform our valued passengers, that it is a must for all passengers travelling from India to Dubai on a visit or tourism visa to hold a valid return ticket.

In absence of the same, we would be constrained to;

- i) offload the passenger at the check in point / boarding point in India.
- ii) refuse entry in Dubai by deporting the passenger at their own cost and expense.

Yours sincerely
